TRAVELWISE AMBASSADORS

Our Travelwise Ambassadors have been working with Miss Rakich and Miss Sale. They have helped collect data on how our children travel to and from school. This project is supported by the Waitakere City Council and ARTA. (Auckland Regional Transport Authority)

From the data collected Sunnyvale School has shown that over the past 2 years more of our children either walk to and from school or use public transport.

Last Wednesday our Ambassadors together with Miss Rakich, Miss Sale and Karen Warrington, who runs our school walking bus, went to Holy Cross and Henderson Primary to meet with the other schools Ambassadors.

On Wednesday 16th we walked to Holy Cross School and then to Henderson Primary. When we were there one school sang, then another school sang.

When it was our turn I felt scared, but when I got up on stage I didn't feel scared anymore. After our skit Glendene School did a skipping skit, I thought it was cool.

We each had a Travel Wise badge. On the back of the badge was a number. My number was 38. Then Simon called out some numbers, those people got a pencil case, a pen and a tattoo. Then it was morning tea.

On Wednesday 16 the Travel Wise Ambassadors went to Henderson Primary. When we arrived they were singing. Holy Cross made a slide show. Glendene School did awesome skipping skills. Last but not least was Sunnyvale

School. We performed a "Walking to School" skit. Then came Max, the Pukeko. Max and other people were handing out certificates. A man named Simon played "Simon says". It was fun. A lady asked for a drum roll and then Simon picked out numbers that we had on the back of our badges. If you got the same number you got a prize. Henderson then sang another 4 songs then we had something to eat. Our journey was over and it was back to Sunnyvale.

SCHOOL FOR A DAY

This Friday Laidlaw College Students Teachers will be teaching in every classroom under the supervision of a lecturer. The concept will be "Money". During the day our staff will be attending Professional Development with Advocates for "The Child-Family Violence" and a Ministry of Education Behaviour Physiologist

SUNNYVALES LIFE LONG LEARNERS

Maree May and Denise Robertson are studying English Learners Assistance (ELA) through the Ministry of Education. This requires Maree and Denise to study, write assignments and attend workshops. Their learning will help our children learning a 2nd language. Linda Watson is their Tutor Teacher.

Thank you Maree and Denise for your hard work and time for our pupils.

SAD NEWS

We wish our Sunnyvale families to remember Dave Anderson who passed away recently. Dave and his family have a long association with Sunnyvale School. 3 of Dave and Sina's children, Greg, Janice and Karina attended Sunnyvale School and Dave and Sina were very active in school life. Many of our families knew Dave through softball and his funeral was attended by many people from all walks of life.
